President’s Taskforce for Online Learning and Services

Meeting Summary

Financial Affairs

1. Startup issues with hiring faculty, registration, and technology were discussed.
2. Public safety verification was discussed.
3. 4 students had applied for financial aid, 3 qualified.

Academic Affairs

4. The process of hand-registering students was discussed.
5. Confusion regarding COL’s role and its one-stop online support center mission was discussed.

Student Affairs and Enrollment Management

6. Admissions reported 86 applications, 46 accepted, 30 orientation completed.
7. Ms. Smith indicated that it was a challenge to find seats in existing online B.GS courses due to larger enrollment numbers than projected, but close to FTE expectations.
8. Human resources are being strained as a result of the unexpected numbers.
