Schedule Approvals

In Cathy Beene’s absence Tom Norton distributed the 2002 women’s spring soccer and 2002 indoor track schedules. Both were unanimously approved.

Athletics Update

Sam Baker reported:

• The department is in the process of searching for a head women’s swimming coach and would like to hire someone as quickly as possible.
• Since the last meeting, Mike Sewak was appointed head football coach. Greg Hill and Mark Williams have returned to their alma mater as assistant coaches.
• VMI is leaving the Southern Conference at the conclusion of the 2002-2003 academic year. The Southern Conference must now decide whether to become an 11 institution conference or find a replacement for VMI.

NCAA Update

Richard Rogers reported that the NCAA is in the process of studying academic eligibility. It is possible that a prospective student-athlete would have to complete 20% of
his/her degree requirements after the first year to be eligible.

Dr. Rogers related that, since Georgia Southern has entered the Southern Conference, thirty-one post-graduate scholarships have been awarded. Of these, six have been awarded to Georgia Southern student-athletes, more than any other institution.

Southern Boosters

In John Mulherin’s absence, Dan O’Dowd related that the annual campaign will kick-off in March.

Chris Geyerman led the committee in a discussion of action items of a draft of the Gender Equity Plan. The committee will vote on the amended draft at the February 22 meeting.

There being no further business, the meeting adjourned at 9:35 a.m.
